GRID ZONE #9
Council District 2
2000 Pop: 3524

Map Features

- Streets
- Grid Zone
- Parish Boundary

This map was prepared for the purpose of dividing Plaquemines Parish into Grid Zones for insurance claims. Each grid is based on a separate councilmatic district and portrays the district population as of the 2000 census. Each grid has been given a priority status that begins on the eastbank of the Parish, continues on the westbank from Ravenna Road south, then focuses on the Belle Chasse area.

Map prepared by the Plaquemines Parish GIS Department on October 5, 2005
